### Beginner Genealogy

Date and Time: Thursday, April 2 1:30 pm - 3:30 pm

Address: 787 Broadway Street

This six-week workshop will take you through the basics of uncovering your family history using resources online and in the Archives collection. This workshop will run from February 26 to April 2, 2026 and includes six sessions held on Thursday afternoons from 1:30 - 3:30 p.m. Each new session will cover a different skillset or area of genealogical research and it is recommended that participants attend all six sessions to get the most out of course material.

### PA Day: Hoo Are You? - Birds of Prey

Date and Time: Friday, April 24 11:00 am - 4:00 pm

Address: 10035 Museum Rd, Grand Bend, ON N0M 1T0

Mark your calendars. Wild Ontario is returning to Lambton Heritage Museum! Wild Ontario provides a home for some very special live birds including hawks and owls. Meet several of the incredible birds up close, chat with their handlers, and learn about Ontario's birds of prey.

Wild Ontario is an environmental and science education program at the University of Guelph.

**Drop In | Regular museum admission applies.**

### PA Day: Rock On!

Date and Time: Friday, April 24 11:00 am - 3:00 pm

Address: 2423 Kelly Rd, Oil Springs, ON N0N 1P0

Celebrate the amazing rocks beneath our feet and the minerals that shape our world! From the stones in our driveways to the materials in our phones, rocks and minerals are everywhere — after all, if you can't grow it, you have to mine it.

Get hands-on as you create your own pet rock, take a closer look at real rock and mineral specimens from the museum's collection, press a salt dough fossil impression, and build a colourful geology core from plasticine. It's a day to explore, create, and discover the hidden treasures of the Earth!

**Drop In | Regular museum admission applies.**
