PA Day Event: Spoiled Rotten with A Taste of Science

Date and Time: Friday, June 6 11:00 am - 4:00 pm

Address: 10035 Museum Rd, Grand Bend, ON N0M 1T0

Why does food spoil? Explore our feature exhibit, "A Taste of Science", to find out!

Learn about the natural process of decay, the microscopic enemies that speed it up, and preservation techniques that extend the shelf-life of food.

Demonstrations will take place at 11:30 a.m., 1:00 p.m., and 2:30 p.m. Meet four different germs and decide whether they are heroes or villains. Sort various types of packaging into groups based on how they work to preserve food. Observe how decomposers break down food. Get crafty and make exhibit-themed masterpieces to take home.

Regular museum [admission rates](#) apply.

PA Day Event - Sunny Side Up: Solar Energy

Date and Time: Friday, June 6 11:00 am - 3:00 pm

Address: 2423 Kelly Rd, Oil Springs, ON N0N 1P0

Discover the bright side of life at the Oil Museum's PA Day event on solar energy!

Drop in on Friday, June 6 between 11:00 a.m. and 3:00 p.m. to explore how we harness the power of the sun to generate electricity, where we can find passive solar energy, and how plants rely on sunlight to grow. Get hands-on with fun activities like making a sun print with cyanotype paper, completing a sun-themed scavenger hunt, building a solar fan tower, and planting your own sunflower or tomato to take home!
